

America's airwaves belong to the public; we must protect them from abuse.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. The decision to force local affiliates to air a partisan film just days before the election is against FCC regulations, election law and is unethical as well.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
